INVENTE

Invente is a gathering or contest where participants showcase and compete with their innovative technologies in the field of agriculture. Here participants have to prepare a prototype according to the theme and also, they have to submit a detailed report of their prototype.

THEME: Futuristic innovations in Agriculture

RULES AND REGULATIONS:

- One entry per college Each team should contain 3 members.
- The participants have to prepare a fully functional prototype related to the given theme.
- Prototype should be designed by students itself and should be done beforehand.

Round 1: Report Submission.

- A Detailed Report of not less than 2 pages about the prototype has to be submitted to the college.

Report should contain:

- Abstract (not more than 250 words)
- Working principle.
- Diagram depicting the prototype
- Cost economies
- Current relevance.

Round 2: Prototype exhibition.

- The prototype has to be exhibited on the day of Agronova.
Diagrams and charts can be exhibited along with model.
- Each team will be given 5-10 minutes for explanation.

S.NO	TEAM ID	EVALUATOR 1 (25 MARKS	EVALUATOR 2 (25MARKS)	EVALUATOR 3 (25 MARKS)	EVALUATOR 4 (25MARKS)	TOTAL
