AGRONOVA'24

Youth Agri-Innovate

"Aligning Youth and Innovation with Agriculture"

JULY | 05 & 06 | 2024

📍 Anna Auditorium, TNAU

CONCEPT

YOUTH AGRI-INNOVATE

"Aligning Youth and Innovation with Agriculture"

The theme urges young folks to use technology, eco-friendly methods, and teamwork to improve farming for everyone. It's about bringing together the energy of youth, the power of new ideas, and the timeless practice of farming. This concept says that future farming's depends on fresh ideas and the passion of the next generation. It imagines a future where young farmers and entrepreneurs have what they need to make farming better. It is a bold idea that says young people can lead the way in making farming more innovative, sustainable and fair for everyone.

AGRONOVA

Agronova is a scientific event warmly welcomes the future leaders of the Indian nation. This grand occasion offers each participant a level playing field to showcase their hidden talents. Agronova'24 cordially invites all inquisitive and passionate minds eager to delve into India's agricultural backbone. Don't miss out on this valuable opportunity – join us and showcase your talents to hit our targets.

TNAU

Established in 1868, TNAU has grown to become a premier institution in agricultural education, research, and innovation. Located in Coimbatore, Tamil Nadu, TNAU offers a diverse range of undergraduate, postgraduate, and doctoral programs in agricultural sciences. Recognizing the merits, the ICAR awarded "**Sardar Patel Outstanding ICAR Institution Award 2021**" under Agricultural University category and "**Institute of Excellence Award 2021**", 8th FICCI Higher Education Excellence Awards 2022, SKOCH award for innovative projects 2023 and an ELITE world record for mass planting 2023. Among SAUS, TNAU stands 2nd at the National level and 1st among the Southern Agricultural Universities.
